PHILOSOPHY DISTINCTIVES & GOALS

1. Library of Biblically and theologically robust songs that are a blend of current and classic
2. Worship structure that engages the whole person; body, soul and mind
3. Order of Worship with the story of Redemption as a narrative arc
4. Order of Worship that supports and speaks deeply about the themes of the sermon text
5. Modernly orchestrated hymns that retain familiarity and sing-ability
6. Music prepared with the aim of serving participatory corporate singing
7. Presentation that will seek to keep the focus on God and His truths
8. Items in service prepared and strategically placed for God to speak grace to His people
9. Worship that leads the congregation into greater understanding of worship practices
10. Worship that teaches and lends to greater practical devotion to Christ
11. Biblical worship practices that link us to the traditional and international church
12. Worship atmosphere designed for authentic engagement and expression
13. Simplicity and excellence in presentation
14. Sundays that seek to strengthen the faith of the saints and propel them to mission
