Text: Genesis 27:1-38

Pastor Perry Kallis

BIG IDEA: The best way for me to be a blessing to **someone else**, is by first taking note of the blessings of **God's presence** in my life.

The Five Elements of Biblical Blessing:

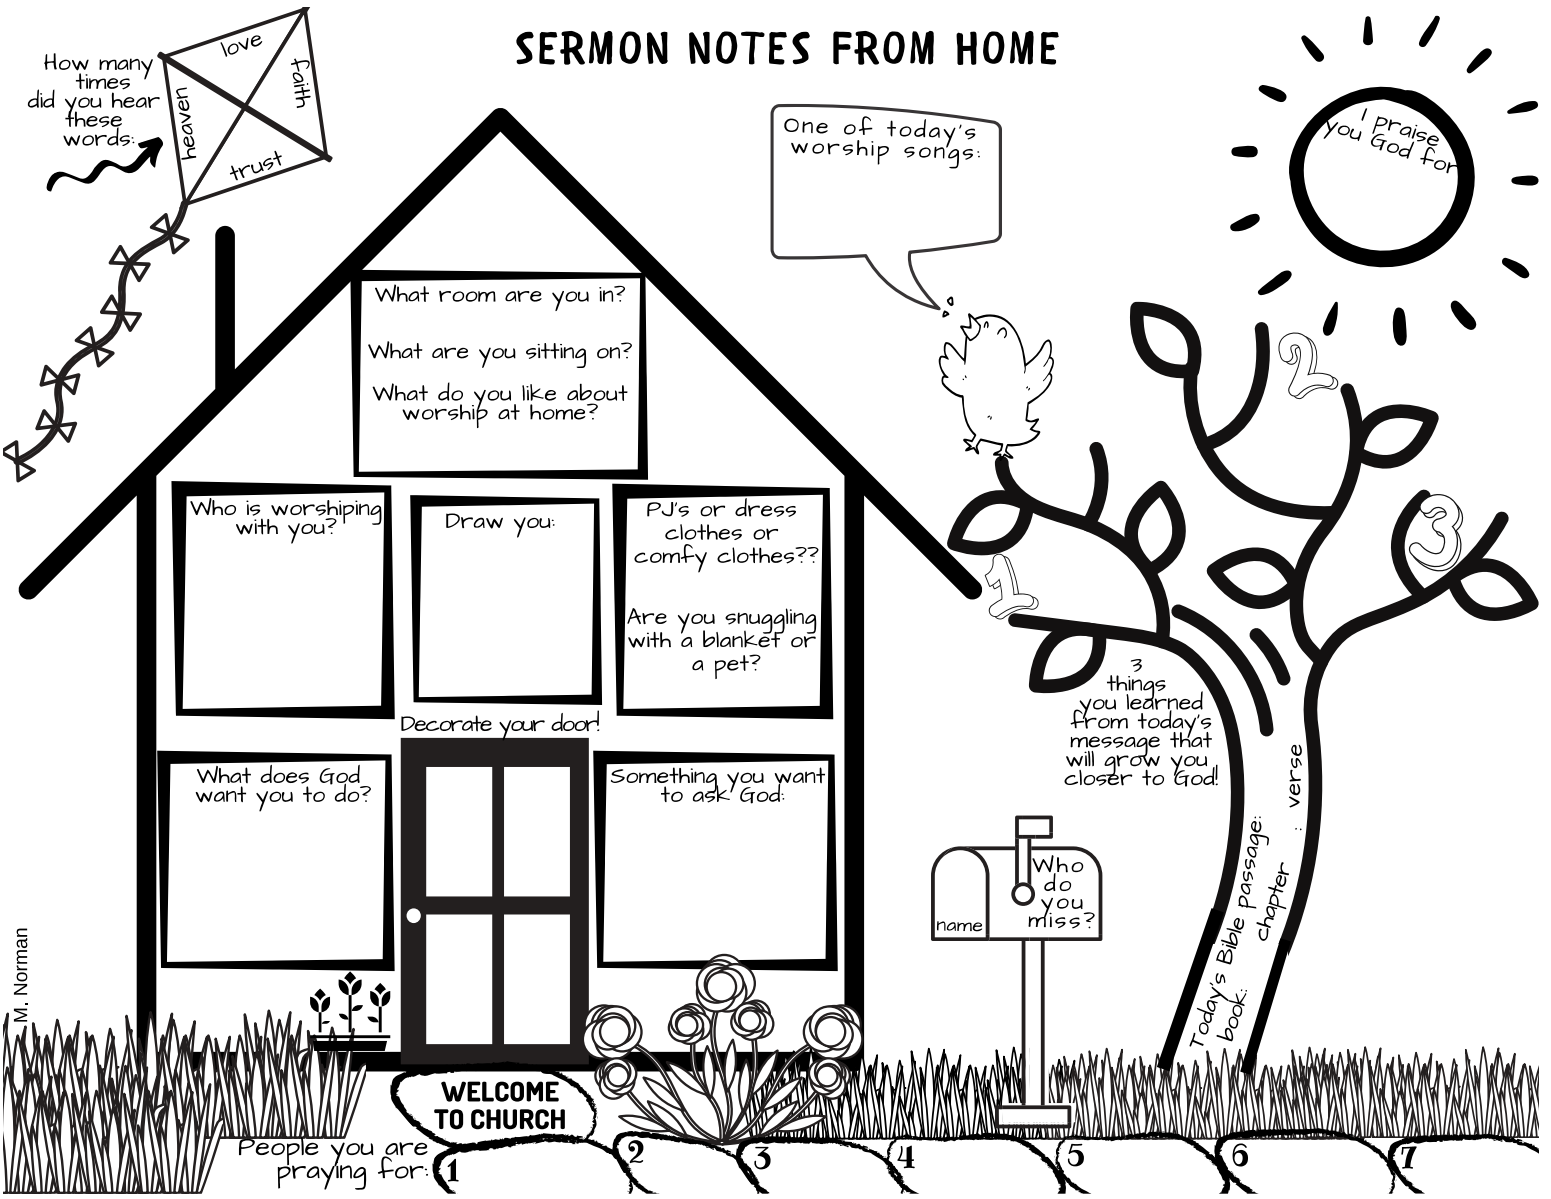

- 1) The blessing of **meaningful touch**. (Genesis 27:22,27)
- 2) The blessing of **positive spoken word**. (Genesis 27:27)
- 3) The blessing of **being valued**. (Genesis 27:28)
- 4) The blessing of envisioning a **special future**. (Genesis 27:29)
- 5) The blessing of parents who **model godly commitment**. (Genesis 28:1-3)

Few things are as powerfully necessary in society today, as acts of God's blessing that comes to others through the lives of **godly believers**.

Personal Study/Application Questions:

- 1) In what specific ways do you believe has God blessed you spiritually, that you would like to see experienced by others in your sphere of influence? What are some steps you could take to pass that blessing on to them?
- 2) The blessings of positive spoken words can be both spontaneous as well as premeditated. Can you think of examples of those kind of words spoken to you?
- 3) Think of Biblical passages that help us envision God's expectations of us, as well as scriptures that assure us of His promised hope for us.
- 4) Pray a prayer asking God to help you remain, or become consistent in how you live out your daily faith in front of those you hope to bless.
- 5) How might this concept of "The Gift of a Blessing" specifically be helpful in changing our troubled culture in America today?
