Title: "The Road Signs in Uncertain Times"

Text: Psalm 63

Pastor Perry Kallis

BIG IDEA: When God providentially takes me on an unwanted journey, I should be alert to the signs that lead me to a place of **glorifying Him** and rejoicing in His presence!

I should not always curse the things in life that drive me deeper into **prayer**.

Signs that help us stay on course with God's purpose during a wilderness journey:

1) Check your **direction**. (vs. 1-2)

2) Check your **deeds**. (vs. 3-8)

Once I **find** God's perspective, God intends for me to stay **glued to Him** by faith!

3) Check your **desired destination**. (vs. 9-11)

It takes **focused faith** to remain attentive to where God is leading, especially when it seems I'm at a "tactical disadvantage".

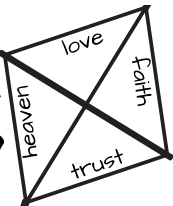

The most important thing about a wilderness journey is remaining focused on the **final destination**.

Personal Study/Application Questions:

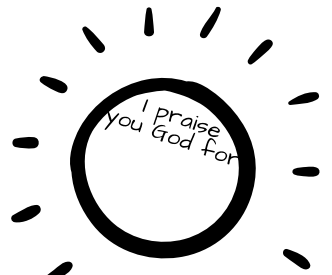

- 1) What are three of my frequent distractions that tempt me to head in the wrong direction? Are these sins that need to be confessed or are they issues in front of me where I need to place God?
- 2) What are some practical ways that I can be intentional and sincere about praising God even in the most challenging times of life?
- 3) Praise God for a time in your past when you felt you were at a "tactical disadvantage", but God's presence and truth became a gift of His grace.
- 4) Read 1 John 3:1-3 and use its insights to write a prayer of confidence in the hope of heaven, then ask God to help you keep persevering in faith while on this life journey.

SERMON NOTES FROM HOME

How many times did you hear these words:

One of today's worship songs:

What room are you in?
What are you sitting on?
What do you like about worship at home?

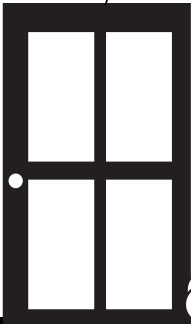

Who is worshipping with you?

Draw you:

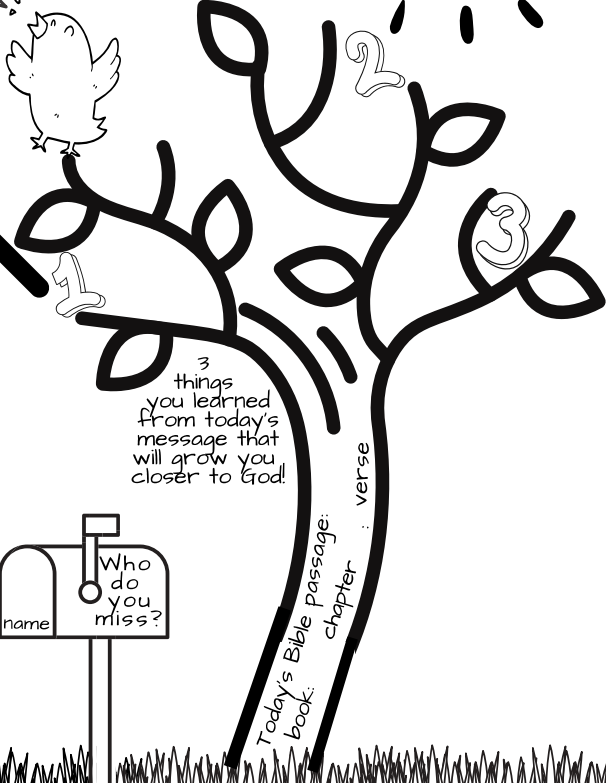

PJ's or dress clothes or comfy clothes??
Are you snuggling with a blanket or a pet?

Decorate your door!

What does God want you to do?

Something you want to ask God:

Who do you miss?
