**Sermon Title: *Resurrection Headline of Hope***

**Text: Matthew 27 / Mark 16 / John 20**

**Pastor Perry Kallis**

**Big Idea:** Each of the four Gospels declares headlines of hope for our lives because of the resurrection of Jesus.

- 1) Matthew's Resurrection Headline: "Hope can replace your **despair!**"
- 2) Mark's Resurrection Headline: "Hope can replace your **defeat!**"
- 3) Luke's Resurrection Headline: "Hope can replace your **doubt!**"
- 4) John's Resurrection Headline: "Hope can replace **death!**"

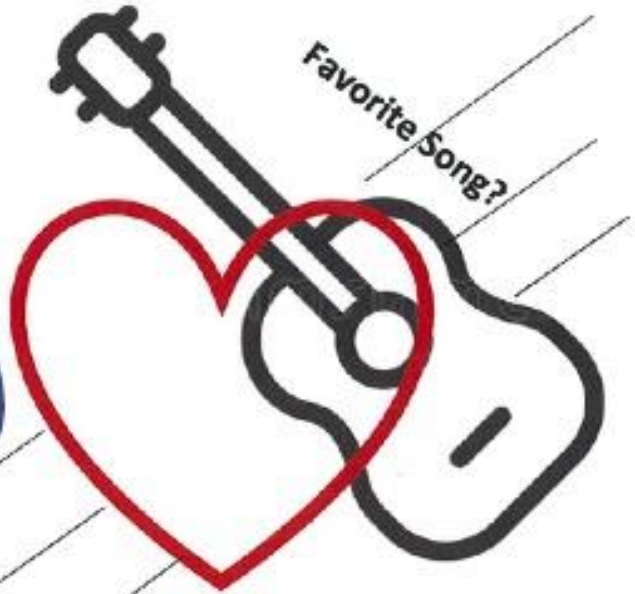

Only a fool would spend their entire life knowing something was going to happen, yet never **prepare for it.**

Only the Risen Christ has the **hope** or the world.

### **Study/Application Questions and Actions:**

- 1) What headline would you use to report Jesus' resurrection?
- 2) What difference does it make to say, "Jesus IS the Messiah" vs. "Jesus WAS the Messiah?"
- 3) How would it change the way I live if I truly believed that through Jesus, failure does not get the last word in my life?
- 4) What are some of the many convincing proofs about Jesus' resurrection that have most affected you personally?
- 5) We say that Jesus' resurrection changes everything. Name three specific things in your life that have been changed.
- 6) What would a "before-Christ headline" say about your personal life? How about an "after-salvation headline?"
