**Sermon Series: James: A Practical Faith
that Works**

Title: “*The Genuine Article*”

Text: James 2:14-26

Adam Morris, Young Adults Pastor

Big Idea: Genuine faith always results in good works.

1. Genuine faith is alive and active:

- The answer is no.
- Dead faith is useless.

2. Genuine faith is inseparable from our good works:

- It is about living faith vs. dead faith NOT faith vs. works.
- Our good works are more than just obedience.

3. Genuine faith is not hard to demonstrate:

- You do not need to be an Abraham.
- Our works of faith naturally flow out of genuine faith.

Application Questions:

- 1. How do you think our culture generally views Christians? Are they “doers” of the Word or something else?**
- 2. How can our church family become better at doing good works together, here in Lodi?**
- 3. Where has God been calling you to demonstrate your faith lately? Is there anything holding you back?**
