Title: *What's Next?*

Text: John 2:1-11

Speaker: Josh Imboden

How can we see God moving in our lives?

- 1) We can see God moving when we realize God wants to use YOU.
God used the most unlikely, ordinary people to accomplish His plan to display His extraordinary love, grace, and the gospel to a broken and hurting world.
- 2) We can see God moving when we listen to what He wants us to do.
Listening to the voice of Jesus re-centers our thinking and reminds us of where our hope lies.
- 3) We can see God moving when we recognize there is work to do.
Every time we invest in what Jesus tells us to do, we are trusting God to do something with it.

Let's pray this week and ask God to do what only He can do?

Study/Application Questions and Actions:

- 1) What do you think about God choosing to use the most unlikely, ordinary people to advance His mission? How does this encourage you?
- 2) How do you know who you are hearing is the voice of Jesus?
- 3) What might happen in your life if the voice of Jesus was the loudest voice in your life?
- 4) What have you found to help you get into God's Word daily? In what ways can you dive into God's Word even more?
- 5) What causes your relationship with God to go stale? What is at least one way you can reinvigorate your relationship with Jesus?
