**Sermon Series: Walk in God's Light –
Live in God's Love**

Title: The WHO of True Light and Love

Text: 1 John 1:1-4

Pastor Perry Kallis

Big Idea: Knowing how to walk, doesn't mean we will always walk wisely; likewise, living by faith means knowing how to walk in wise fellowship with Jesus.

What are the basics of: “in Whom” we believe?

- 1) Jesus is the primary pronoun of life. (1 John 1:1)
- 2) Jesus is the primary revelation of life. (1 John 1:2 / 2 John 1:7 / John 14:6)
- 3) Jesus is the primary fellowship of life. (1 John 1:3-4)

Knowing that we are constantly in the presence of God changes our perspective from that of “selfishness” to “satisfaction.”

Study/Application Questions and Actions:

- 1) What most often causes walkers to stumble or trip? What might these physical tendencies illustrate about our spiritual walk with God?
- 2) What is the difference between making our faith about a “what” as opposed to making our faith about the “Who” of Jesus Christ?
- 3) How can we make sure that our personal testimony is less about our own experiences and more about the grace and power of God? How would a daily focus on God's grace look in my daily life?
- 4) In what ways can Christians slowly treat Jesus more like a spiritual advisor than the Holy God? What things might cause that kind of dangerous drift?
- 5) How can treasuring and nurturing the value of fellowship with God prevent me from selfishness and lead me toward greater satisfaction with God? What activities do you practice that help you appreciate God's glory and presence?
