

The Gathering

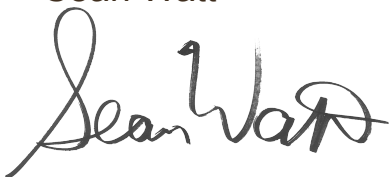

JULY 10-15, 2022
ORANGE COUNTY, CA

Every three years, Middle School, High School students and Young Adults from across the North American Baptist Denomination come together in Orange County for an experience unlike any other. The Gathering is five jam-packed days of mission projects throughout Orange County, challenging messages by gifted speakers, worshipping together, diving into the Word, and all while interacting with other believers from across Canada and the US. We are excited to participate again this year in this awesome ministry. Lives will be transformed because of this mission opportunity!

The Gathering is an epic mission experience that will gather students at Hope International University in Anaheim, CA which will be our home base to go out and serve during the day. By night, we will be worshipping and studying the Bible together in a camp style chapel service. During the day, we will be partnering with local rescue missions, mercy-based ministries, work projects, and supporting outreaches that are happening within Orange county.

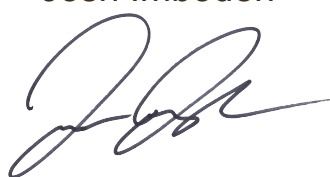

Our week will cost \$600 (with a \$100 deposit), which includes your cost at The Gathering, meals during the week, transportation to and from our activities. The only money you will need is money for a meal on the way down and back. One of the great parts of this mission trip is that you can write letters to help raise money. We will help you along with this process. These letters should explain why you are going to The Gathering, what you are expecting Jesus to do during the week and how lives will be impacted. Doing this can help offset your cost tremendously. This is a week you don't want to miss!
