

2020-21 Wednesday Night Live will begin August 12!

I know some of you may be hesitant and others are eager to get back together. Take the time to pray and discuss as a family if coming would be the right move for you. Read our procedures so you know exactly how we have planned to keep staff and kids safe. Our Guidelines are posted on our website at www.gracepointlodi.com/get-connected/kids.

1. We will do **screening** as part of check-in which includes non-contact temperature checks.
2. We will be **strictly outside**. The only time a student will enter a building is to use the restroom and we have WNL designated restrooms. Students will use facilities one-by-one.
3. We will be practicing **social distancing**. If you want your student to wear a mask, please have him/her bring one from home. I suggest the student's name is on it; any left at the end of the evening not identifiable will be discarded. Students will bring beach towels, which will define his/her designated space.
4. Parents are to keep students home if any members of the family show any **symptoms of illness**: fever, headache, loss of taste/smell, cough, shortness of breath, diarrhea, or chest tightness. If our leaders notice any symptoms in your child, the child will be isolated and you will be called to immediately pick them up.

WHAT TO BRING and TAKE HOME EACH WEDNESDAY (Student's name on everything!)

Beach towel

Water bottle

Bible

WHAT WE WILL HAVE FOR YOU EACH WEDNESDAY

In a ziplock bag, with your name on it, will be a notebook and pencil, which you will use each week and take home at the end of the year.

DROP OFF & WHERE WE ARE MEETING

Our group will meet on the grass in front of the church office. Parents are to use the front Vine street parking lot. Students are to be dropped off at the curb after check-in.

HOW WILL CHANGES BE COMMUNICATED?

Texting (through Remind.com) will be used to communicate changes such as not meeting because of rain, etc. You will receive an invitation to Remind.com.

AWANA will start at a future date.
